Lewis and Clark Conservation District Public Participation Guidelines

Adopted February 2026

Guidelines for Public Participation. The following guidelines shall serve to assure reasonable and fair public participation in the decisions of the Lewis and Clark Conservation District.

1. Be respectful: Any person who, while testifying, shall use indecorous or abusive language or who shall become boisterous or disruptive shall be barred from further presentation to the Board by the presiding officer, unless permission to continue be granted by a majority vote of the Board.
2. Don't interrupt speakers or the proceedings. The public shall be invited to speak after and only after recognition by the presiding officer. Improper interruptions to the conduct of board business will not be allowed. (Please silence cell phones/other devices.)
3. The speaker should step to the front of the room, and for the record, give his or her name and, if applicable, the person, or organization he or she represents.
4. While the Board is in session, members of the public must preserve order and decorum. No person shall delay or interrupt the proceedings or the peace of the Board nor disturb any member of the public or of the Board while speaking or refuse to obey the orders of the presiding officer of the Board.
5. Public comment is limited to 3 minutes (total time) for items not on the agenda (the presiding officer may not allow comments for items outside of the Conservation District's jurisdiction) and 5 minutes (total time) for items on the agenda. The presiding officer, at situational discretion, may allow more comment time, or comments may be disallowed if they are repetitious. If commenters are not adhering to the guidelines, after one warning, they will be asked to leave the meeting. If they refuse to leave, the presiding officer may recess the meeting until the offender leaves or law enforcement escorts the offender from the meeting. The offender may be subject to disorderly conduct charges (MCA 45-8-101). Repetitive or off-topic comments are not allowed and will be interrupted by the presiding officer.
6. Written statements are welcome and should be provided to the District Administrator **at least 1 day prior** to the meeting for distribution to the entire board. Written statements may be emailed to admin@lewisandclarkcd.org or delivered to the office of the Lewis and Clark Conservation District, 790 Colleen Street, Helena MT 59601. Submitted written comments will be noted in the minutes of the meeting. Notes may be used during the public comment period. However, previously submitted written statements that are also read aloud during public comment shall be deemed unduly repetitious. All prepared statements shall become a part of the permanent record.
